About the Programme:

Outcome Based Education (OBE) is an upcoming best practice in the educational system in and around the global level to ensure by designing communicating and delivering quality education in institutions at a ground level. This programme is aimed to understand the goals of an educational programme by delivering a comprehensive understanding, assessment and specified outcomes through which a faculty try to adapt OBE based approach.

Target Participants:

Teachers who are ready to learn, unlearn and relearn continuously with Arts, Science, Technology and Management Programmes.

Objectives:

1. To understand comprehensively about OBE framework in a curriculum design.
2. To have strong sense of understanding about Reversed Blooms' Taxonomy (RBT) and its applications in OBE.
3. To formulate the lower order and higher order thinking skills for the students.
4. To learn the assessment and valuation of outcomes through the OBE method.

Coverage of Topics:

1. OBE
2. RBT
3. Mapping PEOs, POs and COs
4. Assessment Tools and Evaluation of Student's Performance
5. Significance of OBE in the Accreditation process.

Pedagogy:

- Lecture and Discussions.

Learning Outcomes:

- To Design, Deliver and Assess the Courses by using OBE method.

CEDREC is a modern set of strategic, proactive, creating relationships, developing and implementing stratagem that increase institutional competitiveness to facilitate the individuals, institutions and societies to perform functions, solve problems, set and achieve objectives in a sustainable manner up-to-the-minute. The center lays stress on creating necessary skills and hands on experience on applied research for the competitive global markets. It focuses on Research Programme on Social Science, Faculty Development Programme, Management Development Programme, Consultancy, and Student Development Programme, to facilitate to learn the application of management concepts through various workshops, training, corporate interactions, and conferences.

IQAC of GSB is working hard to achieve excellence in holistic delivery of the MBA programme. GSB has got a driven Cell for Quality to assure the design and delivery as per the AICTE norms. It is a proud moment that a month ago GSB is accredited with the “**B**” Grade in its I Cycle itself as a standalone B-School in Tamil Nadu.
